

Open meeting, 28th January 2010 - Minutes

Apologies

Nina, Rikesh, Chad.

Emergency Motions

None.

Reports

None.

Questions to the Executive

Matt Merrick asked why there was no Pokémon society, and Shayan pointed out that if he wanted one he should put a proper motion in.

Motions

1. Athletic Vests.

Nathaniel Sharpe proposed that KCSU note that the £250 allocated for athletics vests in November did not take into account the delivery charge, and pointed out that the company required that the vests be ordered in a specific number. The combination of these factors had led to the price coming to £30.71 over the original £250 requested. He proposed that KCSU believe that it is important for our athletes to have these vests, and that KCSU resolve to allocate this money to cover the increased cost.

All voted in favour, though Oscar Wilsby considered abstaining.

AOB

None.
